Family Fun at Springfest Flower & Garden Show

There's something for the whole family at 16th annual Springfest Garden Show, March 15-18th in the warmth of the elegant Conservatory at the Sussex County Fairgrounds, Augusta, NJ.

Fun activities for children include the popular "Treasure Hunt", encouraging kids to explore the magnificent Garden Displays for hidden clues. Discover fish swimming in a pond, animal topiaries and flowers of every description. Kids can show off their green thumbs at 'The Kid's Plant Your Own Zone' sponsored by Hautau & Son's Greenhouse and Plainview Growers, where the Summer Blossoms 4H Club will assist youngsters in the planting of a seedling to be nurtured and grown to full fruit or flower at home.

The whole family will enjoy strolling among the isles of inspiring garden displays, charming shops and horticultural services. Dad can catch up on the latest in lawn and garden tools and equipment and get inspired by a fabulous BBQ display complete with all the comforts of outdoor living. Treat Mom to a gourmet lunch or fine pastries in The Garden Café complete with over-the-top creative décor and a Wine Bar.

Plan your vegetable garden (a great family project) and see Celebrity Chef cooking demos featuring homegrown produce all at the "Cooking from your Garden" Symposium being held Sunday, March 18th from 1-5pm in the newly expanded Lecture Hall. A panel of Community Garden experts and local farmers will be on hand with displays in cultivating everything culinary from herbs to vegetables and fruits.
