11. We are asking that anyone wishing to show; help keep the barn clean by sweeping and picking up and by helping to water birds, on a daily basis. See Show Secretary for schedules.
12. Any bird showing signs of contagious disease & or parasites, will be removed from the show hall, and must be picked up!
13. **Exhibitors are responsible for feeding and watering their birds daily during the Fair.** Food and water will be available at the show hall. IT IS THE RESPONSIBILITY OF THE OWNER TO SUPPLY APPROVED TYPE CONTAINERS, 2 PER CAGE, ONE FOR WATER AND ONE FOR FEED; EACH CAGE MUST HAVE 2 PROPER CONTAINERS. **Containers must be Kuhl Corporation Cup-K or equivalent as approved by the Poultry Show Director. Approved feed and water containers will be available for purchase in the Poultry Exhibit Barn. Birds must be checked on a daily basis AND cages must be cleaned daily.** All feed/water containers must be secured to cage sides or front corners to prevent tipping over. Even for small bantams, hook-on feeders should be on at least the second bar from the bottom to prevent soiling. We are pleased to "freshen" feed and water in the morning, since most exhibitors cannot be present at that time. HOWEVER, each bird exhibited must be checked, either by the exhibitor or his/her representative daily and cleaning and feeding done as necessary. Supplies are available in the show hall. Waterfowl especially require daily feeding and cleaning. The water container should not be open enough to encourage bathing, as the bedding becomes to wet for good sanitation. **The water may contain chlorine to combat harmful bacteria**
14. **Waterfowl MUST be cleaned at least 2 times daily.**
15. The SCPFA will guard against accident, loss or damage, BUT will not be liable should any occur.
