Entries to be in by 12:00 pm Friday, August 2nd

All entries must be the product of the entrant's apiary and must have been produced since the previous year's honey show. **Only one entry per Class or Category per Person, Family or Apiary is permitted.** Entries should not be labeled in any fashion. Each Class requires 3 of each item, unless otherwise specified. Should the judge determine that an entry does not belong in the category that the entrant has specified, the judge will move that entry to the correct class. Should that entrant already have an entry in that other class, then the judge will decide which entry remains and which is disqualified as there can be only one entry per Class or Category. The Honey Show judge will review all scoring sheets and rankings prior to the announcement of the results. All results are final at that time and will not be changed.

Entries may be delivered to the Richards Building (Bee Exhibit and Display) on **Thursday night (August 1, 2019) before 9:00 pm or on Friday (August 2, 2019) before 12:00 pm** prior to the judging. An entry form **MUST** accompany all entries whether delivered directly to the show by the exhibitor or an SCBA Executive Board member prior to the show. This is to ensure that all entries are accounted for prior to judging.

Entries cannot be picked up before 2pm on Sunday August 11th. Any entries that are not picked up will be forfeited to the club and will be used by SCBA as they deem appropriate.

Exhibitors should refer to copies of individual class score sheets for details on judging criteria.
